

“Put your auger in to
BEAST MODE...”

The auger hog is an adjustable detachable auger hopper that fits under hopper bins and grain trucks. It is compatible with 8" & 10" augers and can adjust easily from 35cm up to 80cm.

Features:

- Easily installed and uninstalled
- Retaining pin easily fitted
- Instantly adjusts from 35cm - 80cm and locks in place
- Skid plate to allow convenient access under silos
- Design stops grain from blowing, spitting or overflowing
- Allows your auger to operate at full speed
